Mission

Provide tuition assistance for children from low-income families for high-quality early education and child care, helping parents to maximize their employment or continue their education.

Vision

Access to high-quality early education and child care interrupts the cycle of poverty, empowering two generations at a time, Parents realize financial sustainability and children are prepared for kindergarten, positioning families for a lifetime of success.

Visit our website: www.familyimpactfund.org to learn more about our organization and how your support will impact low-income families...AND our community!

Thank you so much for your consideration!
